

Internationally renowned spiritual intuit, medium, channel, author, artist, lecturer and ordained minister, Barbara DeLong has been working professionally in the spiritual field since the early 70's in addition to being a full time special education teacher and a single parent. . In the 80's she began painting personal Mandalas for friends. Since that time her paintings and the life readings that go with them are now worldwide with over four hundred of them in private collections. These individual paintings evolved into a circular oracle card deck called The Cosmic Deck of Initiation. The deck was published in 1991, as a peaceful and more spiritual substitute to the standard Tarot deck, with many thousands purchased around the world. Barbara toured the country with The Cosmic Deck of Initiation for over five years presenting them at conventions and book stores nationwide.

Barbara has done numerous radio and television shows, and conventions and is listed in Hans Holzer's book, *The Psychic Yellow Pages; The Very Best Psychics, Card Readers, Astrologers, and Numerologists*. Her readings come from a deep spiritual background and are focused on giving the individual understanding of the pathway they are on, and positive insight on how to enable the creative energies within to expand on the human experience. The readings give a 12 month glimpse and go from the mundane to the magical.

As an ordained Spiritual Minister Barbara served a local Spiritualist Church as one of the rotating ministers from 2003-2008, her platform Mediumship was considered both accurate and inspired.

Her website, Barbara DeLong – Spiritual Empath , is a teaching site, combining personal information and a plethora of spiritual material and energetic forecasts for each week of the year.

Barbara offers private and phone readings, as well as parties and organizational functions. She also is available for stores and conventions, and at psychic fairs run by Programs for Human Development, or P.H.D.

In October 2009 she launched her own radio show, “Night-Light”, which features spiritual philosophy, questions and answers and free psychic readings. The show also offers a platform for planting seeds of spiritual insight as well as a showcase for featured psychic’s offering insight from a plethora of different modalities.

Barbara is now also a Reiki Master!

“Secrets of the Stones”, is a recent project Barbara has been involved in. She wrote and narrated, and is co-producer of this video that is in the process of being converted to a major documentary feature. Drawing attention to aspects of our past that have more or less flown beneath the radar has become a crusade of sorts and is in the process of being converted to a major documentary feature.

Her newest project is her new book, “Whispers of Spiritual Wisdom” published by Oracle Publishing. It is a collection of her poetry and short insightful spiritual insights. The book has gotten impressive reception and the next book is in the works.
